GRADUATION & AWARDS CEREMONY

Dress

It is not essential to wear the same dress for the photograph as the ceremony but formal dress is recommended. If you are wearing a dress or a skirt, it is tradition to see a small part of the dress or top where the gown meets in the front.

Give some thought as to whether you would like to wear a watch, bangle or earrings and please remove elastic bands and hair bands from the wrists. Hair should be smart - please bring a comb or brush with you.

If you are wearing a shirt, I would recommend collar and tie for this occasion with a jacket.

Your feet will not be in the photograph so shoes are not important. As July is usually warm and you will have been travelling, if you are wearing make-up, I would recommend bringing tissues or a dry brush to reduce the appearance of glossiness on the forehead and cheekbones. Because you will be holding a scroll, attention is always drawn to the face and hands in finished graduation photos, so it is important that you feel comfortable with this.

Do give me a call if you have any questions and I look forward to seeing you on your photo day.
