The More Music: Reimagining the Royal College of Music Campaign represents a once-in-a-generation opportunity to transform our facilities for the future. Our new building will enable us to welcome more visitors than ever before, whilst expansion of our scholarship programme, research and digital capabilities will improve access and enhance the RCM experience for all.

'A welcoming space that showcases the College's proud history and remarkable talent is essential for inspiring the next generation of musicians.'

Every gift will help us to achieve our ambitious vision for the future of music. Regular gifts are especially valuable; they will help us reimagine our entrance at this important moment in our history and will support areas of greatest need in the future.

ACKNOWLEDGING YOUR SUPPORT

All supporters will be informed of the outcome of this appeal. Those who make a regular gift at any level or a single gift of £1,000 or more will be invited to a special event at the RCM and acknowledged on the website.

‘Your generosity provides
our students with the
opportunities they need
for success as world-class
musicians. Thank you
for your support.’
