

COST OF LIVING: 2026-2027

Exchange rate used: 1.38

These are not the exact amounts you will pay but are an average for students in your program and year of study.

Accommodation, Food and Groceries cover the period of study only.

Travel includes travel in the UK to and from campus. Loan fees are based on typical borrowing averages for students in your program.

Other costs that may be included are costs if you have someone who will require dependent care or if you have other needs, these can be looked at on a case-by-case basis.

We encourage all borrowers to only borrow what they need.
